The JARI PTAC invites you to attend a **Supplier Briefing** presented by **JWF Industries** on **Thursday, June 2, 2022**.

Come see how JWF has become an integrator in the U.S. and international markets and the opportunities that it brings to the machining, welding and fabrication field in all aspects of manufacturing. Learn how our diversification can become your diversification in the defense, commercial, oil & gas, renewable energy, chemical, airline, transportation and mass transit industries. JWF Industries designs, manufactures and integrates metal centric products.

JWF Industries representatives and members of their supply chain, quality, and business development will be on hand to discuss how to grow and develop with JWF.

JWF awards and recognitions include BAE Systems' Combat Missions Systems "Small Business Supplier of the Year" and "Bronze Supplier," Lockheed Martin Star Supplier Award Winner, Oil & Gas Manufacturer of the Year, and one of PA Business Central's Top 100 Organizations.

JWF Industries requires a strong and capable supply chain. If you would like to become a supplier, you will want to attend this *free* briefing. Seating is limited and pre-registration is required.
