

SHOWCASE FOR COMMERCE SUPPLIER BRIEFING

PRESENTED BY 

Martin-Baker
America

Martin-Baker America's purpose is to develop people, serve the community, and to build lifesaving equipment. We are deliberate about educating and mentoring our workforce in a way that promotes a servant leadership style culture.

In addition, we do not just reside in the Johnstown and surrounding communities, but rather we are committed to help make our hometown a place where everyone is proud to live, grow, work, and raise families.

And finally, we are the world's leading producer of military aircraft safety seating. We do not build seats just to receive a paycheck, but rather, we build world-class seats because our service members who protect us at home and abroad are counting on us to keep them safe!

THURSDAY, MAY 29
